MINISTRY OF RAILWAYS
(RAILWAY BOARD)

No.2007/CE-I/BRO/3 (NREGA)

New Delhi, Dt.23.08.2011

The General Manager,
All Zonal Railways

Sub: Construction of Road under Bridges through funds provided under National Rural Employment Guarantee Act / Scheme (NREGA)

Government of India has enacted National Rural Employment Guarantee Act/Scheme (NREGA/NREGS), to provide rural employment, on most of States & UTs. Construction of roads & culverts is one of the many works, which can be carried out through this scheme. While making rural roads, District Administrations have terminated the same on either side of Railway track. Due to this, tress-passing is taking place, causing unsafe situation for train operation and loss of lives.

No.2007/CE-I/BRO/3 (NREGA) dated 10.09.2010 has waived capitalized maintenance charges for RUBs to be constructed by State PWD/Govt. of Rajasthan under NREGA scheme, subject to following conditions:

- i. The complete RUB (bridge proper + approaches) including all incidental works shall be constructed by the State Govt. at their cost, as per the design/drawing approved by Railways, under Railways' supervision.
 - ii. The cost of maintenance and lighting of the roadways of the bridge and its approaches shall be borne by the State Govt, while the cost of maintenance of bridge structure will be borne by the Railways.

दिनांक 23/8/11

Ministry of Railways has now decided to extend the aforesaid waivers to all State Govts, for construction of RUB/Subways through NREGA Scheme.

Railways should approach and apprise the State Govt./Road Authority and District Administration that such waivers shall facilitate use of NREGA Fund for construction of RUB / Subway, which otherwise could not have been possible, since NREGA Fund cannot be given to other Deptt for non-rural employment purpose. District Administration can now plan and construct under-bridges or say culverts, subways, wherever road has been terminated upto Railway track causing tress passing, in the interest of road users of that area.

This issues with the approval of (Board ME, FC & CRB).
Please acknowledge receipt of this letter.
