

GOVERNMENT OF RAJASTHAN
RURAL DEVELOPMENT & PANCHAYATI RAJ DEPARTMENT

No. F.1(2)/RD/NREGS/Guidelines/2010

Dated: 10-2-10

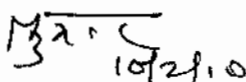

Collectors & District Programme Coordinators,
Mahatma Gandhi National Rural Employment Guarantee Scheme,
All Rajasthan.

It has been brought to the notice of the Government that some of the Programme Officers in the State are still issuing blank muster rolls to the line departments as well as Gram Panchayats which is a gross violation of the directions issued by this office.

Directions have already been issued vide letter of even number dated 02.02.2010 that the Programme Officer must issue muster rolls mentioning the names of the labourers to be deployed on the basis of list of the labourers prepared by the Gram Sewak/Gram Rozgar Sahayak in pursuance of the Form No. 6 received by them.

Issuing blank muster rolls to any of the executing agency itself implies that the Programme Officers are not exercising due caution and are in fact, overtly or covertly encouraging malpractices in the executing agencies. You are directed to ensure that no blank muster roll is issued to any executing agencies in your district. It should also be ensured that usually not more than 70 labourers should be engaged on a worksite as engaging huge labourers result into mismanagement. If there is a huge demand of employment in a village then separate work should be opened.

Any violation in this regard would be viewed seriously and apart from the Programme Officer, ADPC/DPC may also be held accountable.
