7. Mr. J S Audhkhasi, Under Secretary(NREGA)

Following decisions were taken in the meeting:

Bharat Nirman Rajiv Gandhi Sewa Kendra at Block Level:-

1. Government of Rajasthan will go ahead with the designs and manual prepared, on the sites where foundation laid and construction started. For the remaining sites, Government of Rajasthan will prepare revised designs in the light of following changes suggested by School of Planning and Architecture.
 - Indication of direction on the plan
 - Certificate for structural design and stability from the qualified engineer
 - Designs should be based on latest National Building Code
 - For the multipurpose hall, the minimum door size should be 1.2 mtr
 - Door frames should be of steel in place of wood
 - Building to be designed should have adequate provision for further expansion or first floor
 - Toilet blocks should be out of building premises
 - Right hand portion of the building may also be converted in a hall to be used for office. Partitions may be of modular types
 - If possible, the corridor provided in between two halls should be avoided as it will be a dark corridor of no use.
